Colfax to Exhibit at Shanghai 4th International Petroleum Petrochemical Natural Gas Technology Equipment Exhibition

Hong Kong, 25, September, 2009 – Colfax Corporation (NYSE: CFX), a global leader in fluid-handling solutions for critical applications, will be a major exhibitor at the Shanghai 4th International Petroleum Petrochemical Natural Gas Technology Equipment Exhibition (SIPPE), being staged at booths 3B12 and 3B13 in the Shanghai Mart from October 14-16.

Colfax has been actively exhibiting in China for many years. The company's comprehensive display in the upcoming SIPPE will provide visitors with excellent insight into its industry leading product range and cutting edge technology. The company will be featuring its heat transfer centrifugal, 2-screw, 3-screw and progressing cavity pumps.

Mr. Richard Leertouwer, Colfax Sales and Marketing Director – Asia Pacific, said, "the Shanghai exhibition gives Colfax a great opportunity to further develop the company's profile and products in China, one of the world's largest consumers of oil and gas products."

"As a world leader in fluid-handling systems, Colfax is well positioned to participate in China's rapid growth phase by providing highly specialized technological solutions to meet these fast growing requirements of the local oil and gas industries," said Mr. Leertouwer.

Colfax has operated in China for more than ten years with a regional head office in Hong Kong and branch offices in Shanghai, Beijing and Chengdu, along with a world-class regional manufacturing and service center in Wuxi. During this time, the company has developed a solid reputation in the Asia Pacific with its wide range of fluid-handling products and specialist technology. The company has continued to build its reputation in the Chinese market and has been a regular participant in oil and gas exhibitions around the country for the past five years.
